**The only Chinese Hot Pot restaurant on the Las Vegas Strip.**

**The only gourmet Chinese Hot Pot restaurant in Las Vegas,**

Thank you for your interest in The X Pot for your large party or group event in Las Vegas! We are inside the Grand Canal Shoppes at the Palazzo Hotel. With convenient access from the parking garage, just steps from the elevators.

We can accommodate group dining all day.

The X Pot offers a unique dining experience that bridges Asian and American cultures. Our goal is to awaken your senses: sight, sound, scent, and taste.

Our menus include a luxurious selection of A5 Wagyu meats, live seafood, and the freshest vegetables, paired with our exquisitely brewed soup broths.

We have several options to provide your group with a private or semi-private experience. All menus, a basic floor plan, and photos of the spaces are attached for your reference. Please note that all our tables in the restaurant have been custom-built with the hot pots and as such are hard-wired in place. They may not be moved.

Your guests will enjoy a truly unique dining experience at The X Pot.
